Options

Product reference:

- Standard kissing gate:

Consists of one 1050 mm wide, five bar, Jakcured Uni-Field Gate. Hung on galvanized double band hinges with adjustable bottom eye.

- Hanging post: 2100 x 125 x 100 mm section shaped four ways.
- Two slam posts and corner post: 1800 x 125 x 100 mm section.
- 'V' shaped enclosure fence has four rails of 100 x 38 mm section mortised into each side of the corner post.

- Mobility timber kissing gate:

As the standard timber kissing gate, but with a 1500 mm gate, this makes it accessible for wheelchair users.

Particularly useful in districts populated by elderly people, where a stile is unsuitable. Allows easy access through fences with no climbing necessary. Suitable for inserting in any type of fence in almost any situation.

All manufactured from Jakcured softwood.

Installation

In accordance to manufacturers instructions
