Posts:

Slotted Jakposts®

Guarantee:

All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.

Features:

- All fixings are stainless steel.
- Gravel boards are required where panels are in contact with the ground.
- Often used as a topper trellis on top of panels.
- Jacksons original trellis before we improved our trellis with the Premier range
- Comes complete with capping.

Gates:

Gates are Jakcure® treated softwood, right and left hand hanging (when viewed from the outside) but are made to order. They are designed to match our Standard Trellis Panel.

Height: 1.78m (Inc. capping) .

Width: 1m

Installation

In accordance to manufacturer's instructions.

Standard Trellis panels for use with slotted Jakposts come in a wide variety of sizes and shapes to create the perfect screen for your garden. Divide areas off or create intimate areas for dining or relaxing, combine them with planters and decorative post caps for the complete look.
