

Aran Panel

Jacksons Fencing

The Aran panel is one of our latest 'good-both-sides' designs and features slats of different depths, intertwined to create a unique and attractive traditional style.

- All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.
- All fixings are stainless steel.
- Designed for use with slotted Jakposts®.
- Attractive traditional interwoven style.
- Part of our premium 'good-both-sides' range.
- Gravel boards are required where panels are in contact with the ground.

Specification

Panel Heights: 1.83m
Panel Width: 1.83m
Thickness: 51mm.

If you need to reduce the width of a panel on site, a cut down kit is available. Always use Jakcure® End Grain Treatment on any cut timber.

Gates

Our Aran Panel does not have matching gates, but other gate types can be recommended to suit

- Gate specifications will depend on the alternative style of gate chosen.

Standard Gate Heights: N/A
Standard Gate Widths: N/A

View our website for Q40 specification documents, CAD drawings and products available to buy online.
A fully made to measure service is available. All Jacksons Fencing systems and gates may be designed and manufactured to suit site conditions.
Note that components can temporarily swell up to 6% in width after our Jakcure® process temporarily affecting the overall product dimensions.
