

Mitre Panel

Jacksons Fencing

The Mitre panel is a new addition to our range. Inspired by our traditional Palisade fence panels, the Mitre panel features 45mm x 16.5mm redwood pales with an elongated curved top for a traditional picket design with a little more elegance, making it equally at home in a rural or urban setting. It's perfect for front gardens or situations where natural light takes priority over privacy.

- All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.
- All fixings are stainless steel.
- Designed for use with slotted Jakposts®.
- Traditional picket design with a little more elegance.
- Perfect for front gardens or situations where natural light takes priority over privacy.
- Gravel boards are required where panels are in contact with the ground.

Specification

Panel Heights: 1m 1.2m

Panel Width: 1.83m

Pales: 45mm X 16.5mm pales with an elongated curved top.

Rails: Two rails, 46mm x 35mm

No cut down kit is required when reducing the width of this panel but always use Jakcure® End Grain Treatment on cut timber.

Gates

Gates are Jakcure® treated softwood, right and left hand hanging (when viewed from the outside) but are made to order. They are designed to match our Mitre Panel.

- Galvanised ring latch, adjustable hook and band hinge is included.
- Does not match our recommended panel height with gravel board
- All fixings and fittings are galvanised or stainless steel.
- Wall plates are available for fitting these gates to walls.

Standard Gate Heights: 0.95m & 1.15m

Standard Gate Widths: 1m
